The Gateway GTO Association newsletter is published monthly as an informative news bulletin to keep our members up to date on past, current and future events. Classified Ads are free to all members. All articles and classified ads should be submitted to Tony Bezzole before the 15th of the month.

Gateway GTO Association meetings will be held monthly. Dates, times and locations will be announced in the newsletter and on the Gateway GTO Association Hotline, 4-GREAT-1.

SCOOP FROM THE PREZ

1990 is now history! We had an overall good year with our activities, and I wish to personally thank Rich Vie and all those who made it happen.

Looking ahead, 1991 holds great potential for being among the best. We've proven that already with the January Custom Auto Show at the Cervantes Convention Center. Despite all the bad weather, the Gateway GTO's dazzled the public, afflicted with a severe case of cabin fever, showing them that we can be successful in everything we do, through team effort.

My sincere appreciation goes out to everyone who contributed to the display with cars, props and time. We couldn't have done it without support from everyone. Let's make it even bigger and better next year! I'm seeing a dynamic club spirit from our members and we've got the makings of a huge success in all that we attempt. Let's make this year one to remember. We've got the BEST! Let's flaunt it!

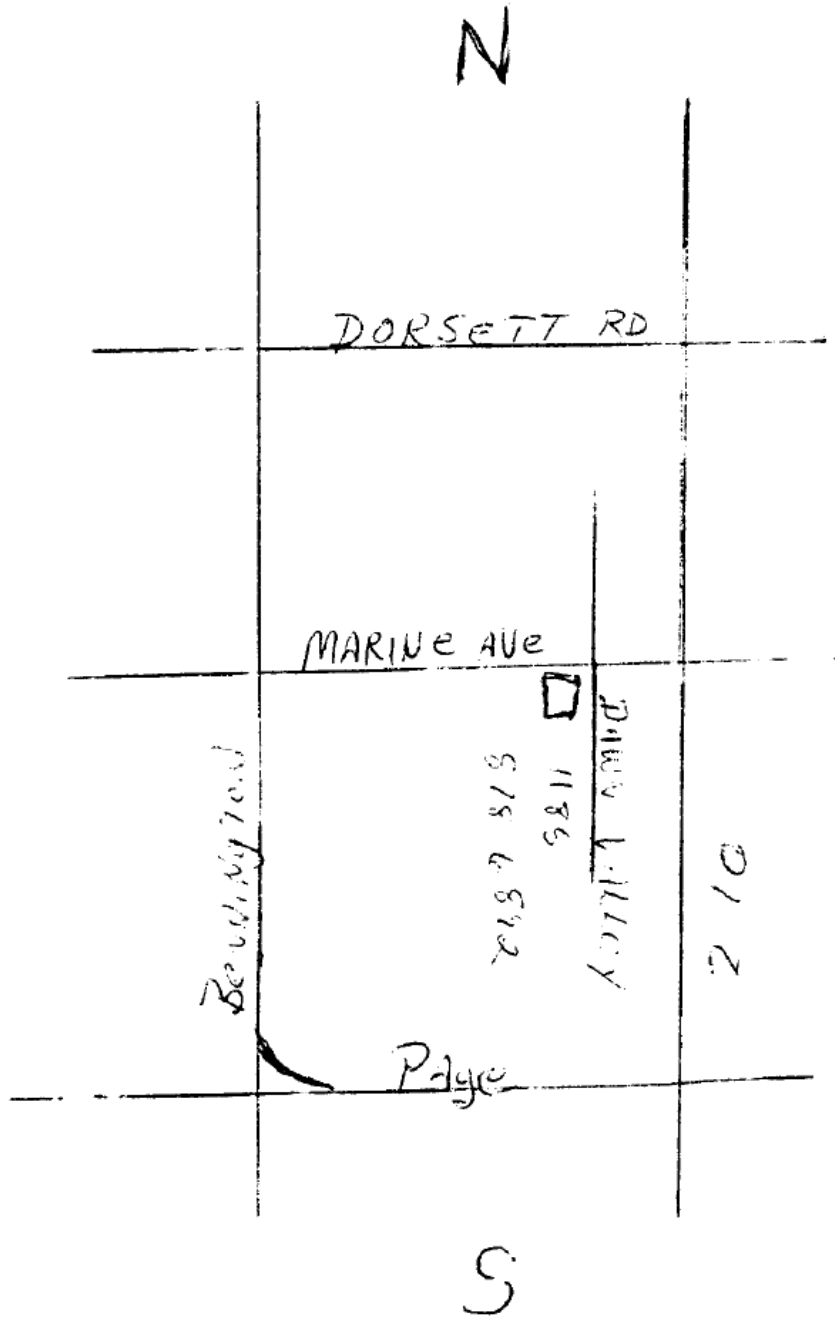

The Gateway GTO Association Hotline is now in service. This hotline is for use by members and all other people interested in the association. The purpose of the hotline is to be a quick and easy source of information for future meetings, events, etc. The recorded message on the hotline will be updated as often as necessary (usually weekly). Also, callers can leave a message such as a cruise night that they would like to attend. These messages will be incorporated into the recorded message the next time it is updated. Remember, the number is 4-GREAT-1, (314)447-3281.

Last, but certainly not least, I've just been informed of a new little GTO'er in our club. Dan and Deb Shabel are the very proud parents of a baby boy. His name is Kevin John, he was 6 lbs. 15 oz., born at 8:01 PM on February 10, 1991. Congratulations Dan and Deb!

Darrell

MARCH 1991 GATEWAY GTO ASSOCIATION MEETING

The March meeting will be March 7 at 7:00 PM. It will be held at Tony Bezzole's house. All are encouraged to attend. A map to Tony's house is below. If you have any questions, call Tony at (314)878-6892.

ISCA CAR SHOW

The above picture pretty much tells it all about the ISCA Car Show on January 19th & 20th at the Cervantes Convention Center. The GTO's came in force, and the GTO's left with the trophies. The Gateway GTO Association display had eight GTO's entered. Earl Chapman (65 hardtop), Erik Hackett (69 hardtop), Vic & Joyce Nettle (70 hardtop), and Rich Vie (74 coupe) all entered the display only class. The other four GTO's entered in the competition and all went away winners! In the picture above from left to right are Dave Kries (68 convertible) 1st place, Ray Mersch (70 hardtop) 1st place, Phil Haxel (68 convertible) 3rd place and our President, Darrell Carnal (67 hardtop) 2nd place. The beautiful GTO sign was furnished by Kevin Frigerio. Pat Taylor is supporting the sign and backing up the winners. Congratulations to all!

UPCOMING EVENTS

MARCH 31: EASTER IN THE PARK CONCOURSE DE ELEGANCE

Chairman: Gene Luning, 532-2169
Sponsor: Automobile club of Missouri
Where: Muny Opera Forest Park
Show cars: Pre registered \$8.00, show day
\$15.00 (1966 & older)
Display cars: Pre registered \$6.00, show day
\$12.00 (up to 1976)

Everyone participating will receive a silk screen artist rendition poster. The Easter show is the season kick off and always proves very interesting. Cars at this show are some of the Horseless Carriage Club's finest. Get there early for good parking, upper lot opens 8:00 AM.

The St. Louis Street Rod Association will hold the custom show on the lower lot. Pre register \$7.00, show day \$10.00. For information call 776-3193.

APRIL 7: APRIL FOOLS SWAP MEET CAR SHOW AND CAR CORRAL

Swap meet: call Jack (618)398-5369, advanced
\$10.00, otherwise \$15.00
Car show: call Jean (618)234-0310, \$10.00
Car corral: call Dennis (618)632-8521

This is one of the largest swap meets in the area and where many deals are found. It is held on the Monroe Country Fairgrounds in Waterloo, IL. To get there, take hwy 255 to rt. 3, south to rt. 156 west, 1.5 miles and you are there.

APRIL 14: MUSEUM OF TRANSPORT CAR SHOW

APRIL 20: DON DARR PONTIAC CAR DISPLAY

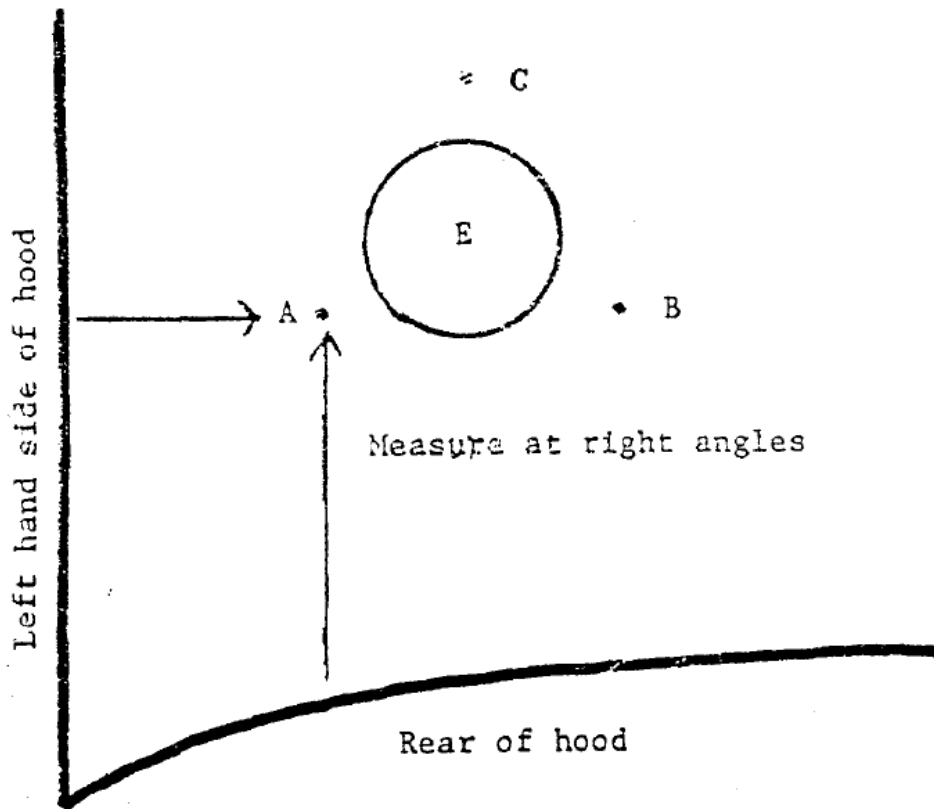

More information soon!

- Oct. ? GTO vs. Ford Drag
- Oct. ? Wine Run - Club Event
- Dec. ? Gateway GTO Association Christmas Party
- Jan. ? Cervantes Convention Center Custom Auto Show - Club Event
- Club Event - All members are encouraged to attend and participate

1968-1970

LOCATION OF MOUNTING FOR HOOD TACH

E is 3.50" diameter hole, center of which is 9.75" from left side of hood and 13.125" from back of hood

A, B, and C are .218" diameter holes

A is 7.438" from left side and 12.875" from rear

B is 11.875" from left side and 12.375" from rear

C is 9.625" from left side and 16.625" from rear

After cutting hole E with a hole saw, check your markings and measurements before drilling the stud holes.

The hood tachs used a thin rubber gasket underneath them from the Factory. This type gasket material is easily obtained in sheet form. You can use this in a 1/32" thickness or a 1/64" thickness if the 1/32" sets the tach too high off of your hood. This gasket will assist in keeping water from getting under the tach and entering the tach where the Factory silicone sealer has deteriorated or is not fully sealing the two halves. In addition, Do Not tighten the nuts too tightly as they will cause low spots in the top of the tach from overtensioning of the plastic.

WHAT'S NEW? PONTIAC HISTORICAL SERVICE

Documentation has recently become available for a \$25.00 fee on the early, as well as, late GTO'S and Pontiacs. It consists of a copy of the build sheet (which resembles a computer punch card with numbers in various boxes) and copies of all accessory codes and dealer album data sheets. This allows you to decipher the data on the build sheet. The layout of the documentation differs slightly from year to year; however, the information on the following pages for a '67 is representative of what is available. To read, you look at the box on the card and the number in it and compare to the equipment listing. For example, box 45 contains a 4 which means the car was equipped with Rally I wheels, They are unable to provide information regarding the dealer to which the car was originally delivered. Apparently the dealer numbers changed very frequently and this type of historical information was not maintained. To obtain documentation on your car, send a check and your VIN number to: Pontiac Historical Service Co., PO Box 884, Sterling Heights, MI 48311-0884. If you are in a hurry for the information, they offer an expedited service which includes returning the information by express mail. The fee is an additional \$10.00. This could be of interest if you are in the process of buying a car. They also caution against buying a car on the basis of their documentation when it is being provided by the seller. It is very easy to cut, paste and recopy the data they provide; therefore, the documentation is only reliable when received directly from them.

HOW ABOUT A FREEBEE?

WIN A PAIR OF '67 GTO'S!

Enter the E-Z Cut Legendary Ham Sweepstakes - no purchase necessary. Print "E-Z Cut Legendary Sweepstakes" and your name, address and phone number on a 3x5 piece of paper and send to: E-Z Cut Legendary Sweepstakes, PO Box 88CY, Bridgewater, VA 22812. Entries must be received by June 30, 1991 and winners will be drawn at random. It is very important to follow the above instructions exactly. For 29 cents, it's worth a shot!

PONTIAC

PONTIAC DIVISION
General Motors Corporation
One Pontiac Plaza
Pontiac, Michigan 48340-2952

November 8, 1990

Dear Pontiac Enthusiast:

We would like to introduce Pontiac Historic Services to you. This independent firm has been authorized by Pontiac Division to fill the increasing demand for historic information from Pontiac owners, restorers, collectors, enthusiasts and buffs who are looking for specific information on their Pontiac. Pontiac Historic Services is comprised of Pontiac enthusiasts who are extremely knowledgeable and capable of handling your requests.

Over the past few years, it has become increasingly difficult for Pontiac Division to fill these requests on a timely basis. And, as the requests for information became more detailed, it also became a costly process. That is why we have turned to Pontiac Historic Services which will perform this service for 1981-model and older Pontiacs. (Information requests for post-1981 models will continue to be handled on a no-cost basis by the Pontiac Customer Assistance Center -- 1-800-762-2737).

By supplying Pontiac Historic Services with the complete VIN number, along with the other information listed below, you will receive most complete historical background and VIN information ever offered by any automobile nameplate.

The information packet from Pontiac Historic Services will include:

- A copy of the factory invoice or billing history.
- A letter decoding the options (where necessary).
- A copy of a dealer order form for that year.
- An official photo for that year Pontiac, if available.
- Other specific information for that year and model Pontiac, if available.

Pontiac Historic Services will charge \$25 per vehicle to be researched. If you wish to obtain this information, please complete the attached form and mail it with a check or money order payable to Pontiac Historic Services and mail to:

Pontiac Historic Services
P.O. Box 884
Sterling Heights, MI 48311-0884

Of course, Pontiac Public Relations will continue to answer general questions about our current or past models. If you seek additional information that you feel should not be handled by Pontiac Historic Services, please contact me or any other member of the Pontiac Public Relations Staff.

Regards

Ed Lechtzin
Director
Public Relations Staff
